Mrs. Munro's Legacy to All of Us

The people of the Town of Mattapoisett were informed of the death of Mrs. Willis (Ruth) Munro this past week.

We will miss this lady who summered here so many years and kept on coming back to her home on the curve above the wharf to enjoy the sweeping view from the porch and the spirited games of croquet in the spacious yard. We certainly will miss the lady herself; however, one thing that we will continue to enjoy is her kindness and foresight. The lot from her house to the harbor full of blooming wild roses and preserving one of the town's finest views of the harbor and wharf, Mrs. Munro gave to the Mattapoisett Land Trust. In so doing, she preserved that marvelous view of the harbor for every passerby to take in. Progress will not destroy it or corrupt it. It will remain, hopefully, in the wild and natural state that is haphazardly beautiful; framing the blue harbor beyond in green and flowering pink. In most of our nearby scenic places, it is no longer possible to get near to the water just to drink it in with the eye. In

Mattapoisett Selectmen's Meeting

JANUARY 12,1988-by VIRGINIA MORGAN

APPEALS BOARD SUGGESTED BY-LAW CHANGES

Board of Appeals members met with Selectmen, Town Counsel Donald J. Fleming and Town Clerk Lois K. Ennis Tuesday to discuss possible changes to the town's by-laws. Any proposed changes would have to be discussed at a public hearing and voted on at the annual May town meeting.

Daniel O. Mahoney, clerk of the Appeals Board, led the discussion accompanied by members William Armitage, Zychowicz and Sylvia Fales, chairman. Mahoney said, "What's the right policy for legitimate construction? Our aim is to make fewer special permits necessary. We want to start slowly, as we don't want to fix up everything we think needs fixing up."

Mrs. Ennis said the changes will clarify garages as an accessory use. She recommended the explanations be listed in the beginning section of the by-laws where a petitioner and Appeals Board members can see the requirements spelled out.

Under the state statute, the Board of Appeals has the authority to institute Zoning By-law changes by submitting its proposals to the Selectmen and Selectmen have 14 days

thereafter to submit the proposed changes to the Planning Board. The Appeals Board would like the proposed changes to be included at the May 2 annual town meeting, Mahoney noted.

Selectmen were not in favor of one change, concerning "Retail establishments that sell, display and store all goods for sale inside a fully-enclosed building on a lot", and "Retail establishments that sell, display and store all goods for sale outside a full-enclosed building on a lot". Both will be withdrawn from the present proposal and re-submitted following the Appeals' Board's reconsideration of the wording.

Selectman William F. Hubbard said, "We're punishing all retail establishments to have to get a permit. There has to be a better way." The Selectmen mentioned several places of business that display goods outside, such as the A & P, Antique Shops, Burnham's Nursery and Great Outdoors that do not abuse the display outside.

Mr. Mahoney said "we will set that part aside and discuss it further. We are concerned if we don't get going we will be too late for the annual town meeting. We want to prevent misuse of permitted uses such as they have on Cranberry Highway. There may be a problem down the line with the person who is not cooperative."

Mr. Armitage asked Selectmen, "Aren't you concerned or object to businesses displaying items under tents or on clothes racks on Route 6?" None of the Selectmen was particularly concerned with these problems saying most business operators are cooperative.

The Selectmen did agree with proposed changes in garages as accessory uses. A change from 450 to 480 square feet was proposed for total floor area of all structures on the lot and that the garage for storage be not more than 864 square feet. This square footage for a garage would allow a three-car garage; anything over three cars would require a permit.

The only other change was from the word "automobile" service sta-

tion and repair shop to the words "motor vehicle" as it will apply to other vehicles such as tractors, motorcycles and mowers.

Explaining Permitted Uses and Exceptional Uses, Mr. Mahoney said, "We can never stop the unattractive without a special permit", Mahoney said.

In other business, Selectmen:

MET JOINTLY with Police Chief James F. Moran, Lt. James A. Santos, Town Counsel Donald J. Fleming and Peter Brown of Brown and Lundquist, Inc., architects for the proposed police station to sign the formal contract for the architectural design to be presented at the May annual town meeting.

Chief Moran said Mr. Brown has given him a more detailed floor drawing of the proposed station. The Chief thanked the Selectmen for their support and expressed his appreciation for all their work in reaching this step toward a new police station.

Mr. Brown gave his official thanks for the Board's cooperation. "I have been delighted to work with Chief Moran and Lt. Santos", Mr. Brown said.

Chairman John DeCosta said the

police station will be a credit to Mattapoisett; "a building we all can be proud of. We hope it can be a reality for all of us. The Board stands behind you and we hope you will keep us up-to-date on your progress."

The Chairman informed Chief Moran that an offer has been made by Anthony Pelson to create a stained glass window for the station from a design of the department's choice. (Mr. Pelson has created many beautiful stained glass windows and smaller stained glass designs, among them three windows for the Town Hall.) The Chief accepted the offer with gratitude to Mr. Pelson.

On another matter, Chief Moran reported to Selectmen a sum of money has been received from an anonymous donor in town to buy equipment for the combined use of the Fire Department and the Police Department.

The Chief said, "As of January 7, the police telephone line, 758-2323, and the emergency line, 911, will be recorded. Chief Wood and I felt that with all emergency calls coming into the police station for fires, ambulance and police, a recorder will prevent any confusion with the desk officer. The idea of the recorder will prevent the desk officer from receiving the wrong address or telephone numbers in any type of an emergency. The tape can be played right back and the conversation reviewed. Many times a person calls in an emergency,

states a number and hangs up right away. Now the desk officer can replay the tape to make certain of an address or number. Both Chief Wood and myself feel the recorder will be an asset to our departments."

The Chief said the donor is a person interested in public safety. He noted the senior citizens calling each morning would be recorded. "We would have the advantage of instant replay and we can keep the tapes as long as we need them." Selectman Frank Suzan commented on the elderly calling in each morning for a check on their well being as a super program.

AGREED to give Lt. Santos a letter in support of the New Bedford St. Luke's Hospital EMT program. Following a regional meeting he attended, Lt. Santos said, "We (Mattapoisett Police Department) considered getting into the 'advanced life support system', which operates only as far east as Mattapoisett".

Based at Parkwood, the staff of two standby paramedics would respond to any call anytime requiring advanced life support system. As an added bonus, Lt. Santos said, "These Paramedics will do lectures and do inservice training for us. They are licensed and insured and employees of St. Luke's Hospital and there will be absolutely no cost to the town."

MET BRIEFLY with David Cameron of 4 Whaler's Way, one of a group of homeowners who are concerned with the health problems related to tetrachloroethylene (TCE), a known carcinogen in their water pipes. He presented the Selectmen

a letter describing his considered opinion on the lack of progress between the concerned group and the Water Commissioners and the Water/Sewer Superindent William Nicholson.

Among other concerns, Mr. Cameron feels there is a disagreement with the levels of TCE in the pipes and the cost to replace the pipes. Mr. Cameron feels the pipes can be replaced at a lower cost than expressed by the Water Department spokesman; Mr. Cameron estimates $10. to $15. per foot, whereas, he said the Water Department quoted the figure of $50. per foot, or $80,000 for Whaler's Way and Eldorado Drive.

In conclusion, Selectmen recommended Mr. Cameron obtain the required number of signatures to place two articles on the town warrant for this year; one to have the town accept Whaler's Way as a town road; and two, to appropriate, or provide by whatever means, a sum of money to replace the pipes.

On a similar matter, Selectmen received a letter from State Senator William Q. MacLean informing them of House Bill 2217, "An Act Providing for Assistance in Replacement of Pipes with Tetracholoroethylene". This proposal is before the House Committee on Ways and Means for review at the present time. (There is one part of the bill that states, "Such program shall provide for testing

of the water quality and shall identify communities with tetrachloroethylene contaminant levels higher than the federal Suggested No Adverse Response Level (SNARL). This means the water contamination levels must be above the federal standards.)

RECEIVED THE LEGAL OPINION of Town Counsel Donald J. Fleming that the Town may accept a gift in the form of funds from a private source to pay for engineering studies.

The opinion was given in response to a letter from Water/Sewer Superintendent William T. Nicholson who received a request from a development firm which is interested in a large parcel of property in Mattapoisett. The Superintendent's letter noted this land is in a section of town which currently is not served with either town water or sewer. The developer is interested in extending town water and sewer to service the proposed project.

Nicholson's letter continued, "The effects of a development of this magnitude will have a dramatic effect on the existing water system as a whole. It is necessary that a system analysis be performed before an extension of the water system is allowed. I understand the state general law would allow the Board of Selectmen to receive a gift to be used by the Board of Water and Sewer Commissioner for a specific purpose,

such as a system study."

Town Counsel's opinion noted that a development of this nature would have an impact on the Town and he thinks both Boards should consult and determine what is in the best interest of the community. "If the town can obtain funds from a private source to do the engineering studies, at least at first blush it seems advantageous to the Town."

WERE NOTIFIED by the state executive office of Communities and Development that Mattapoisett has been awarded $3,000 for an Incentive Aid Grant. Marion has also received a grant. The funds will be used by Old Rochester Regional District School for the Design of a Strategic Plan for the school district. The Grant Program offers significant opportunities for local cost control and efficient service delivery. The use of local aid funds has served as a catalyst for improving management capacity and developing cooperative school-municipal relationships in the Commonwealth.

WERE NOTIFIED by Building Inspector Andrew Bobola he has placed a Cease and Desist Order regarding the reconstruction of a chimney in the rear of the building at Joseph's Olde Tavern, 143 Fairhaven Road, with a notice addressed to Roland E. Blouin, Jr. A permit is re-

quired when reconstructing a structure. The building inspector's order states, "Unfortunately, there has been no response to my three phone calls or my letter of December 14, 1987 in regards to this matter."

The inspector also reported notices have been sent to two residents regarding a violation of more than one unregistered car on their property. They will be given 10 days to remove the violation and will be inspected on January 22nd.

The first violation is on the property of Lilia Pires, 26 Long Plain Road where a total of five unregistered cars are stored. The second violation is on the property of Jane Demeritte, 60 Fairhaven Road, where two unregistered cars are stored.

MET WITH Town Counsel Donald J. Fleming regarding the legal problem between Hi-Tech Graphics versus the Town of Mattapoisett. Hi-Tech is the company who printed the 1986 town report at a bid price of $4080. The Selectmen were extremely dissatisfied with the quality of the print job and have refused to pay the full amount of the contract.

Attorney Fleming said he last spoke to the Board on the matter in April last year. Counsel offered

to arbitrate the matter. "I suggested to Hi-Tech to settle or arbitrate. We never received any reply until a letter in December." Selectman William F. Hubbard commented, "Take them to court if they won't arbitrate. Don't offer them any more." Selectman Frank M. Suzan said, "We've been more than reasonable, and we should resubmit the specifications to Hi-Tech to have the report done over for the town archives."

On another matter, Selectmen requested an opinion from Town Counsel on a claim from the Board of Assessors that they can appoint as many assessors as they want; either part-time or full-time or an assistant assessor.

Town Counsel said there are three points to consider: appointing an assessor; going to the Personnel Board for a change; going to the Personnel Board for a salary change. He said he will have to check further on the matter. Chairman DeCosta said Town meeting fixes assessors' salaries and they cannot deviate. Selectmen recommended the Assessors speak first to the Personnel Board.

Marion Selectmen's Meeting

JANUARY 12, 1988-by EUNICE MANDUCA
A COMMUNITY SERVICE OF THE
LEAGUE OF WOMEN VOTERS

At 7:30 p.m. representatives of the Continental Cablesystems, which is acquiring American Cablesystems of Marion, appeared before the Selectmen to discuss the transfer of license to operate. Selectman Richard Lagreze asked many pertinent questions concerning the transfer of assets from one company to the other and methods of funding. Selectmen Chairman John Hoagland asked what the benefits to the town would be if the Selectmen approved the transfer. Mr. Hoagland was told by the Continental representative that he anticipated no changes in the present programming or staffing at the Wareham Road location. It was pointed out that the consumer is in control of the company because millions of dollars in assets are no good to the company if subscribers drop out because of dissatisfaction with the quality of service. The company depends on the monthly cash flow from subscribers to handle its business requirements and it is in the interests of the company to keep consumers happy. No rate changes are anticipated, up or down, but much depends on market conditions and rates set by Continental contractual agreements.

Questioned by Vivian Robb, the Continental representative assured her that he would look into the reasons for programming confusion

between the printed program and the actual presentations or a blank screen.

Charles Bascom of Allen's Point Road was asked to get a consensus of all residents on his road who were interested in getting cable service. A technician from the company will tour the area and find out what the difficulties are and try to come up with a solution so residents will be able to subscribe to the cable service. Frequently, underground service to the homes in an area make it very expensive to install cable service without some financial cooperation from the homeowner.

It was pointed out by a representative of American Cablesystems that Channel 8 services are offered to any group in Marion who wishes to produce a public service program. The group volunteers are taught to operate studio equipment and given the use of equipment and facilities at no cost and the program will be scheduled as a regular presentation of Channel 8.

Joseph Cunning, chairman of the Capital Improvements Committee, presented a report to the Selectmen in preparation for the Warrant article for the Annual Town Meeting. The Selectmen agreed to study the

report during the next week and reply to Mr. Cunning at next week's meeting. Mr. Cunning will set up a meeting for his committee with the Finance Committee on the same subject. He is very concerned about the extreme fire danger in the Town House because of the age of the building and the lack of any fireproof vaults for valuable town records.

Alex Beichek, chairman of the Zoning Board of Appeals, appeared to request consideration of the problem of different plans being submitted to the Z.B.A. and to the Board of Health for the same piece of property. He was assured by Selectman Ted Pratt, who is also chairman of the Board of Health, that new regulations are being worked on which will require identical plans be submitted to the Board of Health, Planning Board, Conservation Commission, and Zoning Board of Appeals. This brought up the futility of volunteer boards' members being expected to have expertise in so many different areas and the necessity to have a town employee who can follow up on problems encountered by the different boards.

VOTED: A transfer from reserve funds of $300. for secretarial help for the Conservation Commission. Selectman Pratt stated that the Commissioners frequently have hearings which require very careful record keeping but have no secretarial help. The interest of new members in attending workshops and training sessions has resulted in a greater than usual expenditure for fees also.

Letters received: from Camp Dresser & McGee, a request to D.E.Q.E. for state reimbursement of $21,265.06. This sum represents 90 percent of the eligible cost billed to the Town of Marion for Step 1 engineering services during the period through November 28, 1987. From Division of Marine Fisheries extending the shellfishing prohibitions on the Weweantic River and all tributaries; also the Hammett's Cove area. From the Conservation Commission, a notice of a public hearing on Wednesday, January 20, 1988 in the Town House

on the Notice of Intent submitted by the Town of Marion, Marine Resources to repair the bulkhead at Island Wharf. From the Village Parking Study Committee, concern about the plans for the improvement of parking facilities at Island Wharf. From Governor Dukakis to School Superintendent Joan Walsh notifying her of a $936. grant from the Governor's Alliance Against Drugs. From Governor Dukakis to Chairman John Hoagland concerning grants for educational programs.

Ray Pickles, Executive Secretary, reports: The Police Teletype machine is in place and personnel is being trained to use it. Robert Zora, D.P.W. Superintendent, received the estimate for resurfacing Front Street: from Route 6 to South Street, 5600 feet, with cement curbs and asphalt sidewalks, $384,000; with granite curbs and cement sidewalks, $532,000. Discussion followed about the necessity of completion of all construction which may impact the new roadway.

D. Ergin & Co., printers of Braintree, have submitted a bid for the Town Reports of $26.95 per page and $675. for the Warrant.

Sam Bennett of the D.P.W. has retired after exactly 20 years to the Town. A replacement should be considered who could be responsible for the maintenance of the sewer beds. Machinery can damage pipes and the preferred method is a man with a rake. Regular maintenance will

greatly extend the life of the beds and prevent very expensive rebuilding which was recently completed.

A copy of the findings and recommendations of Camp, Dresser & McGee concerning the recent water quality study was forwarded to G.H.R. Engineering with a request for analysis and return by February 2, 1988.

Danielle Pina will be Secretary to the Conservation Commission.

The Sippican Land Trust sent notice of a meeting on January 21 at 7:00 p.m. at Lyndon Auditorium at Tabor Academy. Robert Lemire, land planner, will address the problems of land planning and preservation in the face of rapid development. All are invited to attend.

BOARD OF HEALTH

The hearing with Zora Enterprises, Inc. re Permit #1016 will be rescheduled, possibly January 26, 1988. Tom Fantozzi, Technical Assistant to the Buzzards Bay Project, has been working with state regulations for 20 years and will now be assisting the Marion Boards in their interpretation of Title V regulations and similar problems encountered by most small towns with volunteer boards. With E.P.A. funding, Mr. Fantozzi will be a consultant to town boards to assess problems and suggest methods of

dealing with them. The most pressing problems are universal; water quality, solid waste disposal, hazardous waste disposal, and the pressures of development. Mr. Fantozzi brought copies of the Bourne regulations which have been very successful and suggested that many of them may apply to Marion. User fees should cover the costs associated with the services of each board. There will be a workshop in March to address the areas of legalities of public health, data management systems, designation of wetlands and legal responsibilities of local Boards of Health.

Chairman Ted Pratt stated that work has already started on the project and an outline will be completed in about a week. An Environmental Enforcement group will include Ray Pickles, the Board of Health, Zoning Board of Appeals and the Conservation Commission and any other appropriate persons.

Members of the Conservation Commission, Chairman John Rockwell, Nancy Menzel and Brian McSweeney were present to give their enthusiastic approval to the project. Dr. McSweeney stated that he would like to have a townwide meeting to educate townspeople about the purpose of the Conservation Commission. He is aware of a definite anti-Commission feeling in town and would like to address it. He stressed that he was not aware of the enormous responsibility of the Commission to protect the environment when he first came on the Commission but is now very aware of the rapid breakdown of many ecosystems in the harbor area. closings of shellfishing areas because of pollution. The entire Buzzards Bay is deteriorating and, instead of an adversarial role, the public must be made to see that cooperation among all concerned is the only way to solve these enormous problems before it's too late. It makes more sense to protect what we have now than to bring it back after it has been destroyed.

Letters: from Fleming & Ishihara, Attorneys for Zora Enterprises, Inc., a request for materials re Permit #1016.

From D.E.Q.E., a notice of non-compliance to Burr Brothers Boat Yard concerning observations of Agent on November 9, 1987.

From Coastal Zone Management concerning requirements for Pratt subdivision.

Toys for Tobey

Hospitals can be frightening places for anyone. But when you're a young child, it's hard to understand that the x-rays, needles and medicines are actually going to make you feel better.

Thanks to the generosity of members of the Rochester Woman's Club, each pediatric patient at Tobey Hospital now receives some "medicine" that has some immediate results -- a cuddly, hand-crafted toy.

Since November, members of the Rochester group have been busy sewing and stuffing bears, bunnies, dolls and other soft figures for donation to the Pediatrics Unit at the Hospital. Each pedi patient receives a stuffed toy on admission, keeps it with them during their stay and can take it home upon discharge. The Rochester Senior Citizens' group has also begun to assist the Woman's Club in maintaining the supply of stuffed toys.

According to Pediatric Clinical Manager Sue Clancy, RN, the toys are a huge success with young

PEDIATRIC PATIENT MORGAN McHOUL FOUND WELCOME COMPANY IN A STUFFED BEAR DURING HER STAY ON TOBEY'S PEDIATRIC UNIT. FROM LEFT ARE PEDIATRIC CLINICAL NURSE MANAGER SUE CLANCY, RN, MORGAN AND HER MOM, BETH McHOUL, JOYCE A. ANDERSON, PRESIDENT OF THE ROCHESTER WOMAN'S CLUB, AND SHIRLEY HARTLEY, CLUB LIAISON TO TOBEY.

patients. "By the time our patients get up to the Pedi Unit they've often undergone lab tests and x-rays and they're frightened, particularly toddlers and preschoolers," Clancy noted. "Being able to choose a stuffed animal reassures them. It's a security blanket."

Clancy noted that the unit was never able to offer stuffed animals to patients because sharing them would have posed infection control problems. But since the Woman's Club maintains a supply for each child, there is no infection risk. "We're very grateful to the Woman's Club for undertaking this project," Clancy said.

"We've always assisted local schools and scouting groups, so this year we wanted one of our projects to involve our local hospital," said Joyce Anderson of the Woman's Club. "We plan to become more involved with Tobey."

Sippican Chamber Orchestra

On Friday evening, January 29th, at 8:00 p.m. the Sippican Chamber Orchestra will perform the second concert of its 1987-88 season at St. Gabriel's Church, 124 Front Street, Marion.

The program will consist of 2 works by Pergolesi, La Serva Padrona and Stabat Mater. Ann Danis will be conducting. The featured singers will be Cecelia Rodi, soprano; Georgette Hutchins, mezzo-soprano; Kenneth Clauser, baritone; and Chad Ryder as "Vespone".

Tickets will be $5.00 general admission and $4.00 for seniors and students. They will be available at the Marion Pharmacy, Mattapoisett Pharmacy and the Marion Bookstall.

A wine and cheese reception will follow the concert.

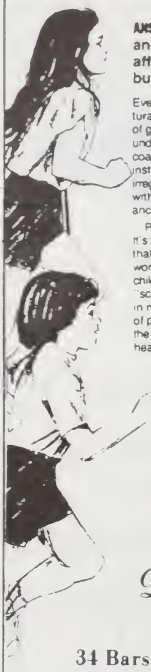
QUESTION:

WHY SHOULD CHILDREN HAVE CHIROPRACTIC SPINAL MANIPULATION?



ANSWER: Because growth and development can be affected by minor bumps, jars and falls.

Every year, thousands of structural health problems in students of grade and high school level go undetected even though teachers, coaches and physical education instructors watch for health irregularities which might interfere with a child's physical performance and learning ability.

Part of their jobs? Not really. It's that extra sense of dedication that makes these already overworked public servants give children that extra attention. The "school guardian" is responsible in many cases for the detection of potential health problems and the funneling of children to proper health authorities.

What most people don't know is that most health problems are far too complex for the teacher to note. And with a busy schedule, the educator can't be expected to have the time to screen problems that are beyond his or her scope of training, no matter how conscientious the teacher may be. The result: many children have health problems that retard their ability to learn or engage in sports effectively.

Here's what you can do:

- Parents should be urged to take more responsibility for their children's health.
- Parents and teachers should be alert to such things as changes in energy level, postural changes, moodiness, listlessness or any unusual signs that signal a problem that will impede learning. One of the observable signs is lack of interest in school activities.
- The structural balance of the child's body should be considered. The school teacher will no doubt note the child's posture, but that does not always indicate the structural integrity of the body. Comprehensive chiropractic examinations, including examinations of the spine, pelvis, neck and limbs should be recommended to avoid developmental problems.
- Incorporate posture awareness programs into your class projects. Write for suggestions and materials.

A.F.S. Telethon

The Old Rochester Chapter of the American Field Service will conduct a fund-raising telethon on five successive weekends: February 6, 7, 27, 28, March 5, 6, 12, 13, 19 and 20. The organization sends students from the Old Rochester District abroad for foreign study and brings international students to the area for a year of American education and friendship. One student, from Spain, is currently living in the District and attending ORR. It also sponsors each year a short-term exchange between Old Rochester Regional High School's A.F.S. student club and that of a community out of state. The funds raised through the telethon also help pay the Chapter's annual dues to A.F.S. International.

Students members of the A.F.S. Club will assist the Adult Chapter in calling residents of the District. They will ask for pledges of financial support of any amount for this continuing and growing activity.

Holiday Rubbish Schedule

Because of the holiday this past Monday, Martin Luther King Day, rubbish pickup in Mattapoisett will be one day later. Rubbish usually picked up on Thursdays will be picked up on Friday and rubbish usually picked up on Fridays will be picked up on Saturdays for this week only.

Campbell Label Time!

CAMPBELL'S "SOUPS"
LABEL CAMPAIGN

On these frigid winter days, there's nothing better to warm you than a steaming bowl of soup! The Mattapoisett Parent-Teachers' Club fervently hopes that the soup you choose will be Campbell's. As in past years, the P.T.C. will be participating in Campbell's Soup Company's LABELS for EDUCATION PROGRAM. ALL soup labels and other eligible proofs of purchase from the company's products are used to purchase audio-visual equipment and many other needed items. For example, film strip projectors, record players, tape recorders, listening centers, pencil sharpeners, and rhythm bounce balls are among the educational equipment that the schools acquired!

The collection of labels ends February 12th. Within this time, please try to save labels from the list below and send them in to Center School and Old Hammondtown School. We are grateful for any help you can give us. THANK YOU!!!

Mattapoisett Woman's Club

GARDEN GROUP

The Garden Group of the Mattapoisett Woman's Club will meet on Wednesday, January 27th, at 9:30 a.m. at the home of Virginia Barden.

We will use pressed flowers to make arrangements in frames and on notepaper.

If you plan to attend please call Ginny (758-3583) for information on the supplies that you will need to bring.

WINNER OF QUILT

Ellen Endres, left, is presented the Mattapoisett Woman's Club Quilt from Madeline Grader of the club. Ms. Endres' name was drawn as the winner of the quilt at the Mattapoisett Woman's Club's annual holiday luncheon held December 17th.

The beautiful blue and rose quilt was handmade during the past year by women of the club's quilting group. Proceeds will benefit the club's charities.

The Mattapoisett Woman's Club would like to thank its many mem-

bers and friends who support the club's activities through donations. Although not all were as lucky as Ms. Endres, we are all winners when we support community activities.

Also, a very special thanks must go to the women of the club who labored with love and fellowship on the beautiful quilt. Without their dedication much of the club's good works might not be possible.

School and Community SUPPORT ORR

A group of parents, students, staff and community has been formed at Old Rochester Regional High School. The name of the group is SCORR (school and community at ORR). Our purpose is to support ORR in a number of ways, and create better communication between the school and parents, students and the community in general. We have a number of topics of focus and welcome new ideas. Two current areas of concentration are drug and substance abuse, and an event to present what ORR has to offer academically, in sports, the arts and socially.

We are holding a meeting to share our ideas and plans for SCORR and would like to invite anyone who has an interest in ORR to join us Wednesday, January 20th, at 7:00 p.m. in the ORR Cafeteria.

Please contact the following individuals if you have any questions: Mona Murphy, 748-0774 (evenings); Diane Cook, 748-2779; Carol Richardson, 748-2043; Dale Bradshaw, 758-4283.

Old Colony

STUDENT ATTENDS PROJECT SPOTLIGHT

Old Colony junior Monique Cote has been selected to participate in Southeastern Massachusetts University's Project Spotlight Program. Monique will join Bruce Bachand, Krista Brassil, and Victoria Camacho in the after school enrichment program.

Project Spotlight provides the participants with an introduction to the college environment. The Program acts as a bridge between high school and college.

VOCATIONAL PROGRAMS TO CELEBRATE NATIONAL WEEK

Students and faculty in more than eleven vocational programs at Old Colony Regional Vocational Technical High School will observe National Vocational Education Week from February 7-13. The theme, "Vocational Education: The Competitive Edge", will provide a focus for the celebration.

Mr. John T. Oliveira, director of the school, said that the week "will give students a chance to show off what they know and do in a variety of fields from computers and agriculture to trades and home economics". He continued, "We want to educate the community about the level of skills our students gain here at Old Colony and encourage them to find out how vocational education can give them the competitive edge in their careers." Mr.

PUBLIC NOTICE

TO: Students or residents planning to attend Bristol County Agricultural High School or Diman Regional Vocational School from the towns of Marion, Mattapoisett or Rochester:

Non-resident students wishing to attend approved vocational education programs, such as Bristol Agricultural or Diman Vocational, must make known their intention to attend such a school prior to April 1 of the preceding school year for students going on to secondary education; and prior to February of the preceding school year for students going on to post-secondary education. This notice applies to the 1988-1989 school year.

Parents of secondary school children planning to attend such a school should contact the school authorities. At the Old Rochester Regional High School contact Mr. Donald Murphy, Principal, at 758-3745; at the Old Rochester Regional Junior High School contact Robert C. Gardner, Principal, at 758-4928.

roll. Students from ORR will be given first available seats, as the program is a school-sponsored program.

Please call the high school for further information. Registration period ends Friday, January 29th. The class will be scheduled to begin on Tuesday, February 2nd. The classes are held on Tuesday and Thursdays from 6:30 to 8:30, and run for six weeks.

Class charge for residents is $25.00. Driving hours for residents is $70.00. The class and driving hour charge for non-residents of the District is $110.00. Summer residents will be considered residents of the District.

ORR Math Team

The ORR Math Team is tied for 23rd in the Atlantic-Pacific Mathematics League after two competitions. The league is made up of 363 high schools from the United States and Canada. The team from ORR is second in New England, only one point behind Phillips Academy of Andover. Leading scorers for ORR are: Vicki Hiller, Pat Wetmore, Michael Tremblay, Lauri Lizotte, Greg Horan, and Josh Pond. "This year's team is doing exceptionally well so far," according to Mr. Cameron, Math Team advisor. "The contest questions seem more difficult than in recent years, but we are still managing to produce some good scores. Many of the schools ahead of us are specialized ones in mathematics and science and have many outstanding students competing. For example, Stuyvesant (NY), North Carolina School of Math & Science, and the

Village Two-Family

Located in Mattapoisett near Town Hall, this two-family has water views from the second floor apartment. The first floor is charming with 3 bedrooms, 2 baths, living room, dining room and kitchen. Recent improvements include roof, siding, windows, porches, etc. Currently fully rented until early Spring. A rare offering in this location!

Exclusive listing $298,000.

Mattapoisett

An executive Colonial on Beaver Path. The bedroom space is fantastic! 4 large rooms with 2 baths and Vanity area. The solar sun room with skylights overlooks the children's play yard and lawn area planted with perennials. A total of 9 rooms plus a two car garage. Reasonably priced.

Exclusive listing $250,000.

Mattapoisett

A multi-level 7 room home that is the best value in town! Immaculate condition throughout. The family room has a separate entrance with an adjoining bath and laundry. The two-car garage is insulated and oversized.

Exclusive listing $189,900.

Mattapoisett

A sophisticated country home on almost two acres with an interesting barn. Open fields are great for cross country skiing enthusiasts! 6 rooms with a loft sleeping area for young ones. Tennis court and pool are extra features.

Exclusive listing $295,000.

Mattapoisett

Looking for a vacation home? We will have several this Spring in the $150-250 thousand range. Please call.

Illinois School of Math & Science all have the very best students in their respective areas and/or states. I'm very proud of our students' accomplishments to date and hope that we can continue to be competitive."

The Math Team ranks 19th in the New England Mathematics League with 234 schools competing in the six state region after two competitions.

Leading scorers for ORR are: Vicki Hiller, Pat Wetmore, Michael Tremblay, Greg Horan, Lauri Lizotte, Josh Pond, and Josh Moss. "To date it represents an exceptional performance", according to Mr. Cameron, Math Team advisor, "since most of our points have been scored by juniors and sophomores. Usually it's the seniors which lead the way, but this year our younger students have done the majority of the work. Vicki Hiller and Patrick Wetmore have been our leading point scorers all year and they're battling for the number one position."

east District Music Festival. Representatives of seventy-five high schools participate in this festival which includes concert band, orchestra, chorus, and jazz band. Each student who auditioned was required to perform a difficult piece of music before a panel of judges. The judges awarded a performance grade to every student who auditioned; this grade determined who would participate in the District Festival.

The ORRHS students who were chosen to participate in the District festival are: Gary Gray on trombone for the concert band, Leif Ragnaldsen on piano for the jazz band, and Allison Taylor on violin for the orchestra.

The District Festival was held on January 15th and 16th at Somerset High School.

Rotch-Jones-Duff House

VICTORIAN WINTER DRESS EXHIBIT

Have you ever wondered what winter was like in New Bedford 130 years ago, before the days of the snow plow and warm down ski jackets? Discover the New Bedford winters, circa 1850, at the Rotch-Jones-Duff House and Garden Museum's VICTORIAN WINTER DRESS EXHIBIT, February 4th through the 20th.

"Families of the Past" VICTORIAN WINTER DRESS EXHIBIT features collections from the Rotch-Jones-Duff House, the Cohasset Historical Society, and the private collection of Gary Lee Schaefer.

Men's, women's and children's clothing will be exhibited on manikins and displayed throughout the historical New Bedford mansion in true-to-life settings. Also on display will be old photographs of the area's winter days. Collections of antique toys, sleighs and needlework depicting the ways the "families of the past" spent their leisure time during the long winter days will also be included in the exhibit.

General admission to the exhibit is $2.; members free. The VICTORIAN DRESS EXHIBIT will begin on February 4th and will be open Tuesdays through Saturdays from 10 a.m. to 4 p.m. through February 20th.

There will be two Victorian High Teas held at the Rotch-Jones-Duff House during the exhibit, on Feb-

have frozen to death, and also of cats being killed who crawl inside car engines to get warm and are cut to pieces when the car is started. Please look out for your animals.

The New Bedford Animal Rescue League is located at 126 MacArthur Drive, New Bedford, and is open Monday through Saturday, 11:00 a.m. to 4:00 p.m.; telephone 999-2349.

Knights of Columbus

LAUNCH MEMBERSHIP DRIVE

Grand Knight Stephen M. Holmes of Damien Council in Mattapoisett recently announced that the Massachusetts Knights of Columbus was launching its membership drive in honor of the new Supreme Chaplain Bishop Thomas V. Daily. Grand Knight Holmes continued, "From his early years in the priesthood in Boston and later the Auxiliary Bishop of Boston, to his missionary work in Peru, to his service as Bishop of Palm Beach, Florida, Bishop Daily has tirelessly shared his giving spirit with the Church and his fellowman."

Bishop Daily succeeded Bishop Charles P. Greco of Alexandria, LA. who died at age 92 on January 20, 1987 after serving as supreme chaplain for 26 years. Bishop Daily is the second member of the episcopacy to become spiritual leader of the international Catholic family fraternal society comprised of 1.5 million members.

A native of Belmont, Massachusetts, Bishop Daily graduated from Belmont High School and finished his theological studies at Saint John's Seminary in Brighton. On January 10, 1952 he was ordained a priest of the archdiocese of Boston at the Cathedral of the Holy Cross by Archbishop Richard J.

Cushing. In 1960 Bishop Daily joined the Missionary Society of Saint James the Apostle and served in Peru for five years before returning to Boston for a pastoral assignment. It was during that time that the bishop developed and nurtured a deep love and commitment for the poor in South America. Later in his career, through the inspiration provided by His Holiness Pope John Paul II, he would co-found an organization by the name of "Por Cristo", along with his good friend and brother knight, Dr. Martin J. Dunn of Milton, to help the poor in Ecuador, Bolivia, and Peru with medical assistance, equipment and training of medical personnel.

State Deputy Walter L. Almond launched the membership drive at the recently conducted mid-year meeting of the fifty district deputies this past weekend at the Tara Dunfey-Hyannis Hotel on Cape Cod. Others speakers on the program were former mayor of Boston, John F. Collins, who spoke on the "Catholic League for Religious and Civil Rights", and Mr. Westy A. Egmont of the Boston Food Bank who spoke on "Operation Care and Share".

Basketball Shootout

St. Joseph's School in Fairhaven will participate in a Boston Celtics Easter Seal Basketball Shootout on Friday, February 12th. Sharon Quintin will coordinate the Shootout. The event is part of a statewide promotion, sponsored by Zayre, to raise money for Easter Seal services for people with disabilities.

Kevin McHale of the Boston Celtics is honorary chairman of the event. Anyone raising $1,000 or more will receive an autographed Celtics basketball and tickets to a Celtics game. Last year St. Joseph's students raised over $900.

Each St. Joseph's School student participating in the shootout asks friends, neighbors and relatives to pledge a specific amount for each basket he makes. During the event, under the supervision of his coach, he shoots baskets for three minutes and collects money for Easter Seals

From I.R.S.

TAX LAW CHANGES CAR DEPRECIATION

It will take longer this year to write off the business use of your car, says the Internal Revnue Service. The Tax Reform Act of 1986 has made important changes in depreciation.

"Formerly you could write off the car's cost, or its business portion, in three years," said District Director Gerard R. Esposito. "Now it will take at least six years."

Also, there is a limit on how much you can depreciate each year. Intended to limit the depreciation on luxury cars, the most that could be depreciated or "expensed" in the first year is $2560. In the second year, $4100 can be deducted; $2450

for taxpayers 60 years of age or older through Tax Counseling for the Elderly (TCE) programs. Locally coordinated, TCE uses specially trained volunteers to provide assistance on matters of particular interest and concern to older persons.

"TCE volunteers help older Americans to understand the changes in the new tax law, as well as assist in filling out tax forms," said District Director Gerard R. Esposito.

Additional information on this free service is available by calling 1-800-872-8045 weekdays from 8:30 a.m. to 4:30 p.m.

Older persons may also wish to familiarize themselves with the new law by reading a free IRS pocket-sized overview. Publication 931, "New Tax Guide for Older Americans", is available by calling 1-800-424-FORM.

fered on Saturday mornings at Bristol Community College. Whether students want to improve their skills for a favorite hobby or learn new things that will help them in their studies, College for Teens gives them that chance for eight weeks this spring, according to Janice Motta, dean of continuing education.

"College for Teens gives students a chance to study topics that are normally unavailable to them at their high schools unless studied for an entire semester. Students find they really enjoy themselves and the small sized classrooms let students participate as much as they'd like to without getting lost in the shuffle," said Motta.

Four courses are offered this spring, The Actor's Self, for young people interested in theater; Photography; Typing; and Understanding Our Legal System.

Registration is going on now through January 31st in the Continuing Education Office of the Hudnall Administration Building from 9 a.m. to 9 p.m. daily and Saturday from 9 a.m. to 3 p.m. For more information call the College at 678-2811, ext. 155.

BCC'S FALL CULINARY ARTS PROGRAM THIS SPRING

half way and picking up the extra courses they missed last fall, according to John Caressimo, director of the College's Culinary Arts program.

Once you have decided that you want a career in the food industry, why put off your education until September, asks Caressimo. "Many of the courses don't have to be taken in succession, and depending on your schedule, a combination of day and evening courses could even quicken the way to completing your program," he said. "Although students find a solid financial future in food service, there are many students who just want to take a course for fun. The flexibility of the Culinary Arts programs allows students to take just the courses they're interested in rather than being locked in to the entire program." Whether you're interested in being a professional bartender or baker, or just a great host, a few courses like mixology and baking may be just what you need to be a success, he added.

Registration is going on now for day courses from 1 to 4:30 p.m. daily in the Commonwealth College Center. Registration for evening courses takes place daily from 9 a.m. to 9 p.m. in the continuing education office of the Hudnall Administration Building. For more information call Frank Noble, director of admissions, at 678-2811, ext. 179, or John Caressimo, ext. 111.

OFFICE HOURS EXTENDED FOR REGISTRATION

There is still time to apply for financial assistance and to register for spring classes beginning on January 25th, officials at the New Bedford Campus of Newbury College announce.

A team of financial aid and admission counselors will be working extended hours - Monday through Thursday, 9 a.m. to 7 p.m.; Friday, 9 a.m. to 5 p.m.; and Saturday, 9 a.m. to 1 p.m., during the next few weeks to meet the needs of all new and continuing students. Further information is available by calling 996-3138, or visiting the Administration Office, 995 Rockdale Avenue, New Bedford.

Newbury College, a two-year college, holds evening classes in the Blue House at New Bedford High School. Associate degree and certificate programs include Business Administration, Accounting, Computer Science, Fashion and Design, Medical Assisting, Secretarial Studies, Paralegal Studies, Travel and Tourism, Word Processing, and Physical Therapist Assistant. A six-week bartending certificate course is also offered, as well as an eight-week Mass. Real Estate Salesperson's Course.

N.B. Women's Center

"MEN WHO COOK"
VALENTINE EVENT

Community men who cook are donating their time and recipes to a Valentine's Eve celebration, "MEN WHO COOK", sponsored by the New Bedford Women's Center.

This second annual fund-raising event will this year feature over 140 male chefs, nearly twice the number participating last year. The cooks will prepare their special dishes at home, and bring them to the Greater New Bedford Regional Vocational High School, 1121 Ashley Boulevard, New Bedford, to share with the community. The candlelight buffet dinner will take place between 6 and 9 p.m. on February 13th; live music for listening and dancing will be available. Tickets for the event are $12.50; they may be purchased at the door or by contacting the Women's Center at 996-3343.

Volunteer cooks are from all backgrounds and ethnic groups; consequently the dinner will reflect such cultural and ethnic diversity.

The Women's Center was founded in 1973 to serve as a resource for women and their families in Greater New Bedford. Contributions to "Men Who Cook" are tax deductible and the Women's Center welcomes both corporate and individual sponsorship. Last year's "Men Who Cook" dinner fed 400 community members; the Women's Center is hoping to make its second annual event an even greater celebration. Join us for a truly fun evening.

1988 Fairs and Festivals

Orders for the 1988 Fairs and Festivals in the Northeast and Fairs and Festivals in the Southeast books are now being taken. In their eleventh and second years of publication, respectively, the guides list over 800 fairs and festivals in 25 states, plus Washington, D.C.

Both regional guides list fair and festival dates, locations, application information, and contact persons. These publications have proven to be effective tools for craftspeople in identifying markets, for presenters in enjoying complimentary publicity, and for consumers in locating events.

In addition to listings, the guides include articles from the Craft Report, referrals to state arts councils, crafts organizations

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of a power of sale contained in a certain mortgage given by JAMES A. SANTOS of Mattapoisett, Plymouth County, Commonwealth of Massachusetts to FAIRHAVEN SAVINGS BANK, a corporation established by authority of the Commonwealth of Massachusetts and doing business at Fairhaven, Bristol County, said Commonwealth, dated January 20, 1976 and recorded with Plymouth County Registry of Deeds Book 4131, Page 684 of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction on Thursday, February 4, 1988, at 10 o'clock A.M. on the premises, all and singular the premises described in said mortgage, to wit:

Land situated in said Mattapoisett, bounded and described as follows:

"BEGINNING at the southwesterly corner of the premises herein mortgaged at a point in the northerly line of Oliver's Lane, said point being distant NORTH 60° 8' 50" EAST therein one hundred sixty-seven and 91/100 (167.91) feet from a corner in said lane;

thence NORTH 29° 51' 10" WEST by land now or formerly of Russell F. Tinkham, et ux, one hundred twenty-five (125) feet;

thence NORTH 60° 8' 50" EAST by other land now or formerly of Russell F. Tinkham, et ux, one hundred twenty-five (125) feet;

thence SOUTH 29° 51' 10" EAST by other land now or formerly of Russell F. Tinkham, et ux, one hundred thirty-one and 66/100 (131.66) feet to the said northerly line of Oliver's Lane;

thence SOUTH 75° 4' 20" WEST in the said line of Oliver's Lane, twenty-five and 87/100 (25.87) feet to an angle; and

thence SOUTH 60° 8' 50" WEST still in the said line of Oliver's Lane, one hundred (100) feet to the point of beginning.

CONTAINING 15,708 square feet, more or less.

Being the same premises conveyed to me by deed of Louis J. Kalife, of even date, to be recorded herewith.

Subject to restrictions of record insofar as the same are now in force and applicable."

Subject to all unpaid taxes, tax titles, municipal liens and assessments, if any.

TERMS: 10% in cash or certified check; Balance in 10 days upon delivery of deed.

arts, and education programs.

Another Council-sponsored workshop, this one on preparing groups to participate in Soviet-Massachusetts and other international cultural exchanges, will follow the contemporary arts session.

"We want to help all potential applicants, new and past, to understand the Council's goals and guidelines," explained Cornelia Carey, a program coordinator for the Council's Contemporary Arts Department.

She explained that three of her department's programs have application deadlines of February 22, 1988, and all need careful preparation. They are:

* Art Exchange, which enables Massachusetts organizations to tour and distribute artwork which has originated in the state; to present outstanding performances or exhibitions by living artists which ordinarily would not be seen by Massachusetts audiences; and to support artists residencies;

* New Works, which funds the state's cultural organizations to commission the creation and production of risk-taking new works by artists from Massachusetts and around the world; and

* MassProductions, designed to assist Massachusetts artists working in film, video, radio, photography, and design arts to complete works-in-progress and present them to the public. Two new categories, dance and literature/criticism, have been added to the program this year.

The Community Arts and Education Department will also discuss four programs with March deadlines: Edu-

up to 100 tons out to 200 miles from shore.

Captain Vaitses passed an extensive license examination by the U.S. Coast Guard in Boston after completing a Houston Marine exam-prep course at Northeast Maritime in Fairhaven. He is shown here learning the Rules of the Road by listening to a video tape presentation.

Greater N.B. Choral

MID-WINTER CONCERT

The Greater New Bedford Choral Society, directed by Gerald P. Dyck, will present a Mid-Winter Concert on Sunday, January 31st, at St. Anne's Catholic Church, 890 Brock Avenue, New Bedford. The performance begins at 7:30 p.m.

A varied program of choral music appropriate for this season is planned. A set of Renaissance a cappella works of Dufay, Praetorius and Garbrieli will be sung as they might have been chanted in early European monastery chapels. Also included on the program will be Antonio Vivaldi's "Magnificat" (The Song of Mary) for chorus and organ.

A featured part of the program will be "Frostiana", poems of Robert Frost set to music by Randall Thompson. This work was commissioned for the Bicentennial Commemoration of the Town of Amherst, Massachusetts in 1959. It includes the famous poem "Stopping by Woods".

Helen M. Whipple will be accompanist for the chorus. Vocal solo passages in this concert will be sung by selected members from the chorus.

Admission to the concert will be

Q. IS PASSIVE EXERCISE JUST A FAD?
A. DEFINITELY NOT! Passive exercise is the alternative to strenuous exercise. It has been said by physical therapists that the concept is effective for people with heart problems, artificial joint recipients, arthritics and others. Imagine effortless exercise that provides muscle tone strength, muscular endurance, flexibility, better circulation and inch loss! Call for complimentary visit or just stop in and see for yourself. Local By-Laws Workshop

FOR LOCAL OFFICIALS

Local officials and private citizens have a significant impact on the water quality of Buzzards Bay through the by-laws and regulations that they adopt and enforce. Southeastern Regional Planning and Economic Development District and the Lloyd Center for Environmental Studies are offering a local by-laws workshop which will address mechanisms available to local officials for improving the water quality of Buzzards Bay and its tributaries. The workshop will be held twice from 7:00 to 9:30 p.m. on Thursday, January 28th, and from 9:30 a.m. to 12 noon on Saturday, January 30th. These workshops are supported by a grant from the Environmental Protection Agency Buzzards Bay Project and are free and open to the public. Advance registration is required as space is limited.

Who should attend this workshop? Certainly interested citizens are invited but local officials should make a point of attending themselves or sending professional staff. The workshop will be helpful to planning boards, boards of selectmen, boards of health, conservation commissions, city council members and town meeting members.

Local officials have the authority to adopt and enforce by-laws and regulations for groundwater protection, earth removal, subdivision control, wetlands protection, harbors and septic systems and y ~ often are not aware of the breadt.. of their authority. These workshops will review and discuss several model by-laws and regulations which are available to local officials. Also to be covered in these workshops is the process for education, adoption and enforcement of by-laws and regulations using a case study of some of the above models.

To register for either of these workshops contact Barbara Sego at the Lloyd Center at 990-0505 or 993-7868 during regular business hours. Persons who register by January 21st will receive a copy of the model by-laws report prepared by SRPEDD.

University's Theatre Company at 8 p.m. January 21-24 in the Campus Center main auditorium.

Paul Zindel's Pulitzer Prize-winning play is the study of a bitter, lonely widow who takes out her frustrations on her two high school age daughters. It has been a vehicle for actresses Sada Thompson, Joanne Woodward and Shelley Winters.

Tickets are $3. for students and senior citizens and $4. for the general public, with a special student rate of $1. for the Thursday night performance. Parking is in lots 4 and 5. For more information call 999-8167 or 999-8697.

Children's Museum

"NUTS AND BOLTS"

The Children's Museum of Dartmouth will teach "Nuts and Bolts" on January 23rd, Saturday, from 1:00 to 2:30 p.m. Children ages 8-10 will sharpen their carpentry skills, as they learn the proper use of wrenches, screw drivers, hammers, and drills. Each child will also make his/her own display showing different kinds of nuts, bolts, screws, and nails and find out what each is used for.

To register your child for this class, please call the Children's Museum at 993-3361. There is a small fee of $3.00 for members and $4.00 for non-members. Class size is limited, so please register early.

The Children's Museum is located at 276 Gulf Road in South Dartmouth and has two floors of hands-on exhibits. The Museum is open from 10:00 a.m. to 5:00 p.m. Tuesday through Saturday, 1:00 to 5:00 p.m. on Sunday and is closed on Monday.

Folk Music Series

"JIMMY KEANE, MICK MOLONEY AND ROBBIE O'CONNELL"

Zeiterion's Folk Music Series continues with JIMMY KEANE, MICK MOLONEY AND ROBBIE O'CONNELL on Saturday, January 30th, at 8:00 p.m. Three of the world's finest traditional Irish musicians, each man is a veteran recording artist, concert performer and master musician in his own right. Tickets are priced at $9.00 with a $2.00 discount for senior citizens and students. For more information on tickets, group packages and season subscriptions, call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

In early 1984 Kean, Moloney and O'Connell pooled their talents to create a unique blend of music and song. Their instrumental line-up includes accordion, tenor banjo, guitar, mandolin, mandola, tin whistle, synthesizer and bodhran. In 1985 Green Linnet Records released the trio's first album entitled "There Were Roses".

Jimmy Keane, born in London of Irish-speaking parents in 1958, moved to Chicago with his family in 1960. His Father, a native of Connemara, Co. Galway in Ireland, is a magnificent sean-nos (old-style) singer and actively encouraged Jimmy to take up traditional music. In competitive playing he has won five consecutive All-Ireland titles on the accordion, the first Irish-American ever to do so.

Mick Moloney, one of Ireland's finest tenor banjo and mandolin players, grew up in County Limerick and learned much of his vast repertoire of tunes from older traditional musicians in neighboring County Clare. In 1973 he emigrated to America to embark upon a doctoral course of studies in folklore at the

University of Pennsylvania. Recognized as a major scholarly authority on Irish culture in the United States, he has worked as a folk arts consultant for a variety of cultural organizations and has taught college courses in folklore and ethnomusicology.

Born in Waterford, Ireland, Robbie O'Connell grew up with his family in Carick-on-Suir, County Tipperary. His mother, Cait, was a member of the famous Clancy family. When the Clancy Brothers achieved international prominence in the early 1960s there was a virtual flood of musicians and singers who visited them each summer in Ireland. After moving to the United States in the 1970s Robbie began touring with the Clancy Brothers and still does three tours a year with them and recently recorded a live album with them. With the release in 1982 of his first solo album, "Close to the Bone", on Green Linnet, Robbie has emerged as an artist of major stature.

From the wild abandoned playing of reels and jigs to the sensitive interpretation of songs both old and new, Keane, Moloney and O'Connell

will provide an evening of music that will not easily be forgotten.

The Erinoids will be the opening group for the Folk Music Concert. The Erinoids' Irish folk music will be a pleasant prelude to the music of Keane, Moloney and O'Connell.

A Rhode Island band, The Erinoids were originally formed in 1983. The present members include: Alan Bradbury, bass; Jimmy Devine of New York City, fiddle; Bob Drouin, basueka and guitar; and Bob Grady, bodhran and percussion.

The Folk Music Series will conclude with Tom Chapin and his special guest, Bill Morrisey, on Saturday, March 12th.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford.

Lloyd Center

A VISIT TO THE COAST

Looking for a way to enjoy the winter without traveling to the mountains? Why not try a visit to the coast by taking a ride to the Lloyd Center for Environmental Studies along the shores of the Slocum River in South Dartmouth. Open to the public free of charge throughout the year, the Lloyd Center offers walking trails, panoramic views, exhibits and programs to both the casual visitor and amateur naturalist. Easily found by following the signs which begin just south of the North Dartmouth Mall, the Lloyd Center offers a chance to walk along a pristine river, view wildlife and learn about the coastal environment of southeastern New England.

Thanks to support from private individuals, corporations, foundations and the Massachusetts Council for the Arts and Humanities, the Lloyd Center grounds, with four walking trails, are open free to the public from dawn to dusk 365 days a year. Bird life abounds at the Lloyd Center's many bird feeders, along the trails and swimming in large numbers on the Slocum River. Geese, ducks and a rare seal can be seen resting or swimming in this estuary.

The main building of the Center, with its woodstove and solar heating, provides a warm haven for the walker even on the cold winter days of January and February. Open from 9:00 a.m. to 5:00 p.m. (every day except Monday, although open on Monday holidays) the building houses

numerous aquaria of life in the estuary and fresh water streams and ponds of the region and a large handling tank of marine creatures. The orchids blooming in the greenhouse give one a sample of the aroma of the summer which feels so far away.

The major exhibit at the Center, Marine Mammals of Southern New England, has hands-on exhibits including whale bones and baleen. Specimens from stranded whales and seals, skeletons of a pilot whale, a harbor seal and a dolphin, and numerous photographs and paintings round out the exhibit as one walks from the second to third levels of the building. Also on the third level is an excellent vantage point to view birds at the feeders and also on this level is the Lloyd Center Resource Library with many books, periodicals and other reference materials on the coastal zone of New England.

The fourth level of the Lloyd Center, with its spectacular view of the region, Buzzards Bay and the Elizabeth Islands, was declared a Special Place by the Commonwealth of Massachusetts for its "Viewscape". Birds fly by at eye level and, in the distance at low tide, harbor seals, usually only one or two at a time, can occasionally be observed hauled out on rocks in the Bay. Although undergoing some improvements and renovations this space is still open to the public.

You do not need to be a member to visit the Lloyd Center and participate in its programs. Free interpretive walks are offered to the public each week and a calendar of events is available at the Center. Members and membership are very im-

portant to the Center and everyone is welcome to join and receive the benefits of membership.

To get to the Lloyd Center from east or west of Dartmouth take Interstate 195 to the North Dartmouth Mall, cross Route 6 and follow the signs down Chase Road, west on Russells Mills Road, east on Rock O'Dundee Road to Potomska Road. For directions to the Center from other areas or for additional information about Lloyd Center happenings call 990-0505 during regular business hours.

According to Dr. Alan Hankin, Executive Director of the Lloyd Center, "The winter months can be some of the best times to visit the Center. With the holly trees decked out in snow, birds visible in larger numbers than at other times of the year and the beauty of the River in winter, this is my favorite time of the year here. We welcome the public to share this with us. Kids love the touch tank and aquaria and it's good for all of us to get out and see the woods and shore in winter."

Come visit the coast. Visit the Lloyd Center at 430 Potomska Road, South Dartmouth.

HOW TO TELL BUSHES AND TREES BY THEIR BARK AND TWIGS

You may know an oak tree from a maple tree in the full leaf of summer, but can you tell the difference in leafless winter? If you come to the Lloyd Center's free program on winter twig identification on Sunday, January 31st, at 1:30 p.m. you will be able to by the time you leave.

Using magnifying glasses, field guides, and careful observation we will explore the center's woodlands identifying the leafless bushes and trees. Be sure to dress warmly, and please call ahead to

pre-register. For registration and more information on the walk call the Lloyd Center at 990-0505. This walk is part of the weekly walk program which has been bringing free, weekly nature programs to the people in southeastern Massachusetts for six years. This and other Lloyd Center weekly walks are offered to the public free of charge thanks to the kindness of Marianne Macdonald Real Estate, Inc. of South Dartmouth.

Tournament Bridge

DARTMOUTH BRIDGE CLUB

Two separate major bridge events were held in the New England Regional Individual Bridge Tournament the weekend of January 8-10 at the Marriot Hotel, Newton, MA.

The winner of the first event, the Knock-Out-Teams-Of-Four lasting three days and playing against rigorous competitive bridge players from the New England States and beyond was the local team of Ruth Musser, Dona O'Malley, Margaret Sullivan and Robert Hickey. Additionally, in this event, Ruth Musser, having won the required Gold Master Points, was advanced to the rank of Life Master in the bridge world by the American Contract Bridge League.

Gold Master Point winners in the second event, the Individual Tournament, requiring players to play 104 hands of bridge in two days with 52 different bridge partners, were Betty Whayne, Katherine Bacon, Helen DeMello and Joanne Greaves. Red and Black Master Points winners were Patricia Grochmal, Betty Morency, Rebecca Holmes, Mark Gallagher, and Jeanie and Gregory
